

THIS IS WILDLIGHT

A community committed to education

Wildlight is all about places to live. Places to play. And places to learn. Located in the top-ranked Nassau County School District, it's where the youngest residents can discover a lifelong love of learning. And perhaps the best part of being nurtured near nature? Kids in grades K-5 who live in the Town District can hop on a trail and walk or bike right over to Wildlight Elementary.

Of course, there's no age limit on learning and education doesn't just mean sitting in a classroom. In Wildlight, you'll find yourself making all kinds of new discoveries. Whether that's through enjoying our creative parks, exploring the trails and preserved woodland and wetland spaces (our natural playgrounds), or discovering new friends at one of our community events.

NASSAU COUNTY SCHOOL DISTRICT HIGHLIGHTS

- 17 schools, with 5 public schools in Zone 2 (Wildlight's Zone)

MORE SCHOOLS AT WILDLIGHT

Kindercare

Located in the Town District's Village Center, the school has classrooms and activities for infants to pre-kindergarten students — promoting learning through play and exploration.

St. Clare Early Learning Center

Another early education opportunity in the Town District for kids 6 weeks to 4 years old, offering a faith-based early childhood education with both full- and part-time schedules available.

Cornerstone Classical Academy

The first school in the Garden District, this tuition-free charter academy will open in fall 2027 for VPK through 6th grade (expanding to 12th grade). Expect rigorous academics and a vibrant student life.
